STATUS INQUIRY

Commissioner for Patents
P. O. Box 1450
Alexandria, VA 22313-1450

Sir:

Applicant hereby inquires into the status of the above-identified application.

Copies of the following related papers are attached:

1. Postcard Receipt dated 10 Jul 2006, acknowledging receipt of the application papers and assigning Serial No. 10/585,546 to the application;
2. Copy of printout from the PAIR system of the Application Data page, dated February 16, 2009, showing a status date of 07-19-2006 and in which the status is indicated as: "Application Undergoing Preexam Processing;" and
3. Copy of printout from the PAIR system of the Transaction History page, dated February 16, 2009, showing in the entry dated 07-28-2006 "Cleared by OIPE CSR."

To date no communications from the Office have been received beyond the

stamped Postcard Receipt. In view of the passage of over 30 months from the 07-28-2006 entry it is requested that the application be acted upon so that it can be further processed. In that regard, it appears that a NOTIFICATION OF MISSING REQUIREMENTS would be in order as the application papers as filed did not include an inventor's declaration.

Please advise when we could receive a further communication indicating that the application is indeed being processed.

Respectfully submitted,

February 16, 2009
